The screenshot shows the CyberLink Media Suite interface. At the top left is the CyberLink logo, and at the top center is the text "Media Suite". A window titled "Power Media Player" is open, featuring a purple play button icon. Below the icon is the text "Power Media Player" and a sub-header "Enjoy the PowerDVD Experience on Your Mobile Device". A list of features includes: "Play all popular file formats including H.264, MP4, and MKV", "Enjoy support for all the major subtitle formats", "Supports both Windows 8 and Windows RT for tablets and PCs", and "Add photo effects, view slideshows, and easily organize photos". At the bottom of the window, there are three QR codes, each with a "Download" button below it, corresponding to Apple, Android, and Windows. A red box highlights the text "Your in-app activation code: XXXXXXXX" at the bottom of the window.
